STEVE MITCHELL

Usually the Election Edition signals another year coming to an end with fewer activities in the LPR, but not for the Prieta Post, we're not like that other German car club, we publish 12 issues per year and we still have events to cover and stories to tell. Enjoy this month's edition.

Sincerely, Steve

# Notes from the President

*Les Schreiber*

**LPR Election time is here, your Ballot is enclosed or you can vote at [lpr.pca.org](http://lpr.pca.org) our website.** It is very important that you select your representatives for the coming year. As you may know, this is my second year as your President, and I am not allowed to be a candidate again for this office. But you may notice, our past President Ed Tefankjian is running for President along with Emilie Highley as Vice President. This is a great ticket as Ed did a great job in performing his duties last time, and has supported me in these last two years. Regardless of who is running, please take the time to return your ballot, and if you would like to be a part of this great organization, there will be positions open for members of the committee, and after the elections, let the new president know that you would like to be involved, and what you would like to be involved with.

**It is very important that you select your representatives for the coming year.**

On September 7th a group of us will be heading to Escape in Canada, which will be held at Sun Peaks Resort, in British Columbia (September 9 thru 12). There are 6 cars in our group and we will start off from Bucks Restaurant in Woodside on September 7th with the first stop at Bill & Cathy's restaurant in Dunnigan, CA. where we will be joined by Julia & Justin Gross and another person for the rest of the trip. Bill & Cathy's is 118 miles from our start, and we will be stopping for our lunch stop. From there most of the group will stop over at a Best Western in Grants Pass, OR. and I will continue on to spend the night with my daughter Lisa in Hillsdale, OR. I will meet up with the group the following morning as they pass thru Portland. From there we will continue on to a Best Western in Bellingham WA for our overnight stay, and the following morning head to the Canadian border, crossing at Sumas, heading to Sun Peaks Resort. Total miles for this one way will be 1163.2 miles, from Redwood city, the home of Carol & George Grialou, who so graciously planned the trip for us to Sun Peaks Resort. While at Escape we will be participating in touring the beautiful Canadian territory, enjoying the evening meals and the enjoyable Canadian PCA members. This will be a great event, and I'm looking forward to it and along with that, next years Escape which will be held in Flagstaff, AZ. I'm not sure of the dates yet, but I'm pretty sure it will be around the same time of the year.

The Porsche Parade for 2011 will be held in Savanna GA. the last week in

July, which will be very hot & humid time of the year in Georgia. I may or may not go, but for one thing, I know I'm not driving there. In 2012, the Porsche Parade will be held in Salt Lake City, and I can see where a lot of people may want to go to that one, as it is a short drive.

The trip back from Escape will be the individual peoples choice, and I decided that I would again visit with Lisa in Hillsboro, OR. for another week, and participate in the Susan G. Komen for the Cure® Oregon and SW Washington Affiliate for Breast Cancer on September 19th. I will be doing the 5K walk, and Lisa will do the 5K run.

I plan on retuning to San Jose on September 21st in time for the

Beer and Brats Oktoberfest GTG at Tom and Sandy Provasi's home on Saturday September 25th. How much better could it get for a German like me, to enjoy the good German beer and of course Brats, and I am really looking forward to that.

Please keep your calendar date open for our Charity event, which will be held October 9, and look for more information in this issue. In November we do our yearly planning for next years events, so if you would like to sponsor an event or put on a GTG, please plan on attending. -Les Schreiber

**Y**o Ho – Yo Ho, a Pirates' life for me..... That is the tune that kept running through my head as I got out of our car to set up for the picnic. As I looked around the pavilion, to my astonishment, I saw that they had just been there! The Pirates had left their black tattered skull and cross bone flag flying high to warn us off. They had left their treasure chests full of jewels and gold coins too!!! It was exciting knowing they had just been there, and the danger that they might return at anytime.

We were lucky however. We were able to visit with our fellow buccaneers, dine on mouth-watering burgers thanks to Steve Mitchell at the grill, a variety of salads, and scrumptious desserts, all without any invasion or sneak attacks from hungry Pirates. No one had to "walk the plank"!

Yes, it was a swashbuckling picnic!

# Autocross Newbie

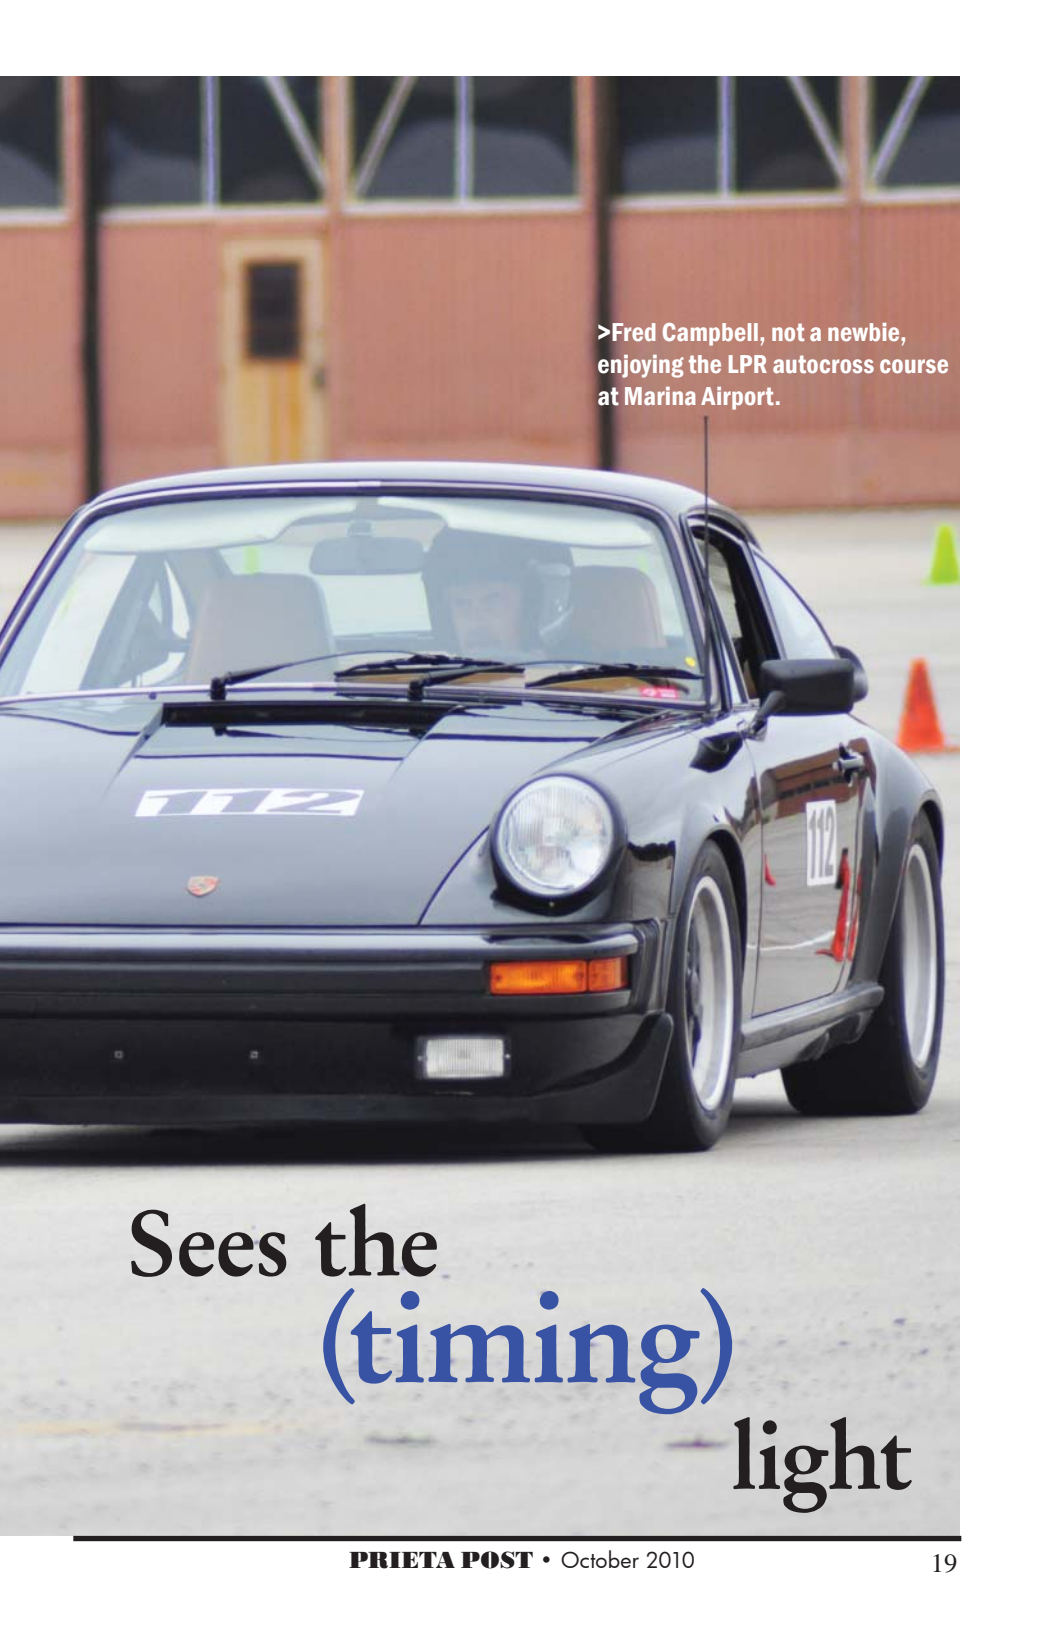

*By Peter Ridgway, Photos Rena Schaut*

"How much do tires cost!?!?" And other impressions of a 1st time visit to an LPR Autocross.

After lunch and The Rocky Point tour, I couldn't help but point out to Jacqueline that we were only a few blocks away from the Zone 7 Autocross event at the Marina Airport. It was early afternoon so I managed to make a good case to stop by "just to see what an autocross was like". If you drive a Porsche and you've never been to a PCA sponsored autocross, you've missed something! If you're an LPR member, you would expect the same Good Time Region approach to AX as we do everything else. No disappointment here.

First impressions as we cruised up to the gate was somewhat intimidating. There is this very big (to me) coned off course right next to the entrance drive. As a newbie, I didn't know the difference in cone colors so it seemed we were driving right next to the cars running the course. As we're cruising slowly (15 MPH per instructions) toward the parking area, it felt like the cars on the course were going really fast. There were lots of cars, seemingly parked everywhere, all with numbers on the doors. Fortunately, our Prez (Les) spotted us driving up and gave us directions to parking. First lesson: you park in the Paddock area away from the course but not in front of a stack of tires, coolers, lawn chairs and other various flotsam people removed from their cars. Most of the spaces in the Paddock were filled along with large and small trailers for hauling race cars. The equipment and other gear the serious autocrossers bring was amazing. Turns out most people just show up and drive but a few SCCA racing teams also join the event! Really cool thing was that it all gave you the impression that you were a participant at a Laguna Seca event as oppose to a spectator.

A dark blue Porsche 911 T is shown from a front-three-quarter view, driving on a paved track. The car has a white 'TT2' decal on the front fender and a white number '112' on the side. The driver is wearing a helmet. In the background, there is a large, reddish-brown building with a yellow door and several windows. Orange and yellow traffic cones are visible on the right side of the track.

>Fred Campbell, not a newbie, enjoying the LPR autocross course at Marina Airport.

Sees the  
(timing)  
light

As we approached the course near the Timing trailer, we were greeted in typically friendly LPR fashion. Lots of friends and people we know from the club as well as helpful and informative people from GGR and the other regions within Zone 7. Someone actually came down from Reno!

Second lesson: the cars getting ready to run the course are staged (on grid) in something called a Chevron. The name is obvious when you see the rows of cars parked at 45 degree angles, all facing the same direction. The Grid Master directs these cars to the starting line. All very organized. All very safe. When you're not running the course, you park in the paddock. When it's your turn to run, you move your car into the Chevron, put on your helmet and wait for your turn.

Watching the cars on the course was definitely fun. Jacqueline was quickly engaged. Especially after a friendly GGR'er showed us the course map and pointed out some of the driving strategies. Second cool impression was the variety of cars running the course. Daily drivers, old and new, some cars clearly only used for AX. Lots of 911s, Boxsters, Caymens, 944's, and 914's along with a scattering of Mini Coopers, a Corvette, Miatas and others. I expected Porsches but not the number of other cars. An SCCA prepped RX 7 driven by Teresa Neidel set the fastest time we saw at 37+ seconds where everyone else was in the 40 to 50 second range. Jacqueline couldn't resist pointing out

the "girl" was killing the boys, time wise.

Meanwhile, I'm borrowing a helmet because one of the AX Instructors has convinced me that I should ride with him in a demonstration run. Wait, is ride over already? That was fun! 46 seconds? Holy S\_\_\_! And the "girl" ran 37 in a Miata! I'm starting to get a feel for technique and skill. It's not the car, it's the driver.

Last impressions: I'm thinking I need to start coming out for these things. I can get a helmet and scrub off a little rubber. I can do this! And Jacqueline is now thinking "How much do your tires cost?" And a helmet? And what else as you get involved? Fortunately our illustrious Autocross Chairwoman, Anne, is also coaching Jacqueline: "You just keep track of all the things he buys and make sure you get an equal spending allowance". Helmet, for now, LPR has loaners.

I'll probably be taking it easy on my first couple of runs next month. Saving the tires, you know. 🇺🇸

She's recently gotten involved in helping run a political campaign for her friend, Liz, who's running for a Campbell City Council seat. You can see Emilie at many LPR events such as GTGs, Tours, Board Meetings, the Swap Meet, and Charity Events.
<b>Membership</b>	<b>Tom Provasi</b>	He has been a member of PCA since 1979. In that time, he has held about every office including President and <i>Prieta Post</i> Editor. He has also been Zone 7 Rep, National PCA Safety Guidelines Chairperson, PCA National Secretary and PCA Vice President. Tom bought his first Porsche when he was still in high school. As a matter of fact, he still owns it! That is a true Porsche car lover. It's a 1963 356 Cabriolet. In addition, he and his wife, Sandy, own a highly modified, 350 HP, 914/6 lovingly called "The Orange Crate". Tom and Sandy have hosted many GTGs and attend GTGs, AXs, Parades, and Tours. Tom is proprietor of TJP Painting and a valued LPR Advertiser. Tom and Sandy are also YouTube stars! Check it out!

<b>Membership</b>	<b>Paul Seidel-Smith</b>	As a PCA member for 35 years I have enjoyed participating in all types of PCA activities, from Good Time Gatherings to competitive events. I feel my well-rounded experience and extensive participation provides good insight to encourage new members to become involved in the Loma Prieta family. I would like to work with the dealerships, auto repair shops and Porsche owners to increase LPR's active membership. Paul has also held offices of President, VP, and Tour Director. He also serves as instructor for Zone 7 Rallye School and Time Trial as well as LPR & GGR Autocrosses. He can be found participating in Zone 7 Concours Series, Rallyes, Time Trials, and AX as well as Porsche Parades and Escapes.
<b>Treasurer</b>	<b>Jennifer Bryant</b>	I joined the LPR in 2000 shortly after moving to California with my husband who had just accepted a job in the bay area. At the time, we were driving our first Porsche (and my favorite one) which was a 1983 burgundy 911. I could hardly reach the clutch but I liked how it handled on the road. At the first LPR social event that we attended, we were overwhelmed by the friendliness of everyone, and immediately felt like we belonged. Since then we have hosted a couple of social events and in 2006 and 2007 I was the club Treasurer. We sold the 911 and bought a 1988 burgundy 944 turbo; and this past year we sold it and now drive a midnight blue 2000 996 Cabriolet. Outside of the club, I enjoy travelling and scuba diving for fun; and work as an accountant to pay for it all! If elected Treasurer I look forward to serving the LPR Club.
<b>Secretary</b>	<b>Peter Ridgway</b>	Peter and his wife Jacqueline joined LPR in 2009 and drive a 1990 911 Cabriolet. Peter retired from Agilent Technologies three years ago, volunteers for Clean Tech Open, and does some consulting in the energy field. He enjoys traveling, outdoor activities and socializing.
<b>Member-at-Large</b>	<b>Suzette Pangre</b>	Suzette and her husband Barry joined LPR in 2000. They drive a 1987 944S Project Car. She works for Vertical Circuits, Inc as Advance Technology Manager/ Principal Scientist. Suzette is finishing her 1st year as Member-at-Large. She enjoys GTGs, autocrosses, rallyes, and tours.
<b>Activities</b>	<b>Doug Ryder</b>	Doug and his wife Pam first joined LPR/PCA in 2000 and then rejoined in 2006. He drives a 1996 993 Cabriolet which is used for tours and rallyes. Doug also has a 1987 Carrera Cabriolet that he uses for track events. He enjoys tours and rallyes.

## Awards

### Enthusiast Man of the Year

*This award goes to the man who best exemplifies the spirit of LPR. He is one who enjoys and participates in all aspects of the LPR experience. He is likely an organizer of tours or events, perhaps an autocrosser or rallyer, but absolutely a contributor. He might serve on the Board or be a chairperson, or he may contribute in many different areas. He is not interested in self-promotion, but in what is best for LPR.*

<b>Steve Crane</b>	Steve is currently serving as LPR's Webmaster. He has totally redesigned the club's website including a downloadable Google calendar, links to the LPR Facebook page, links to our advertisers, and a downloadable Newsletter. Currently, he is adding the technology to enable online voting for our LPR Region. The caliber of the website is such a high standard that it was recently recognized at the 2010 Porsche Parade as an outstanding website for a region our size. He and husband Jeff Tucker hosted the 2nd Annual "Almost Summer Party" this summer at their home in June. He joined LPR in 2007 and drives a 1985 Silver 911 Targa.
<b>Bob Frosthalm</b>	New to LPR, Bob accepted the position as Rallye Chairman with a focus to bring rallye events back to LPR. Bob educated our membership in the definition of rallye terms and taught technique with a table-top rallye in his monthly column in the Prieta Post. This year's Rallye include a Scavenger Hunt Rallye in June and a Sonoma Sippen' Tour/Rallye in October.
<b>Steve Mitchell</b>	Steve is currently serving as the Editor of the Prieta Post. He has also been his wife's right hand man in planning of LPR's 40th Anniversary Celebration and Family Picnic. Steve drives a 2002 Carrera 4S and has been a member of LPR since 2002. Steve can be frequently seen at the Board meetings, autocrosses, tours, rallyes, special events, and GTGs. He is a past co-recipient of the LPR Newcomer of the Year Award.
<b>Herb Radding</b>	Herb has been the LPR Treasurer for the past year. His mission has been to further improve the quality of our balance sheet. Herb and his wife Bonnie joined LPR in 2006 and they drive a 1972 911T. Herb has retired from Tech High and enjoys car speed trials, golf, music, and food.

<b>Jackie Mitchell</b>	Jackie is currently serving as Vice-President of the club which means you can see this busy lady everywhere. <b>Anne Roth</b>	Anne has been AX Chair extraordinaire. She has single-handedly organized an 8-event Autocross season. This has included balancing the requirements from Marina Motorsports with a gang of very competitive autocross'ers. She's coordinating the course artists and event volunteers. Always with a mind for our safety, she should be wearing a referee's shirt and whistle so she can call foul while asking "Do you know how to wave a red flag?" Then she'll turn around and ask if you want one of her famous brownies. Finally, at the end, she gets her turn and is whipping out all of her runs (non-stop)! She drives her sweetheart 912 both to AXs and tours. When she is not doing events with LPR, she is also involved with the 912 Registry. To help pay for Porsche activities, Anne is an Office Manager at Redfern Integarted Optics, Inc.

<b>Nanci Bishop</b>	Nanci drives over 100 miles round trip to help with LPR Auto Cross events, even if she is not driving in the event. She loves instructing new students and spends time getting drivers involved in autocrossing. She helps with registration, techs cars, and fills in where needed. In addition to AX, Nanci has organized a two day tour and has assisted with four other tours this year. She was also involved in LPR's 40th Anniversary Committee and actively represented LPR in many PCA activities including Legend of the Autobahn, and Zone 7 events.
<b>Jackie Mitchell</b>	(See information under Woman of the Year Award)
<b>John Reed</b>	John Reed is one of those priceless members who have been there for the club. He has served in many roles including President, Prieta Post Editor, Activities Director, Safety Director, and overall go-to guy. He makes sure that many of the LPR bulletin boards are stocked with copies of the Post. And he is at most of the events and records the living history of the Club through his photos. Many of his photos have also graced the cover of the Prieta Post or can be found on LPR's Website. Because of his role as Club Photographer, he has been nominated as Worker-of-the-Year.

# “A Whale of a Tale or Two” *aka. . .The Shirt “Tales” GTG*

*Story by Emilie Highley, photos by John Reed and Rena Schaut*

What a great evening – weather was warm, perfect for a late August GTG...

Bill and I were dressed in our favorite shirts, each with a ‘tale’ to tell. Dessert in hand we anxiously awaited Ed Tefankjian’s arrival to drive us to the Wallace’s (OK, so Ed was solo for the evening – once again Karen just HAD to spend her \$\$\$ at a local casino with her sis and aunt).

Ed rolled up in their new Audi with a shirt that read “P-h-e-o-c-h-r-o-m-o-c-y-t-o-m-a” needless to say, we were stumped as to what it meant, let alone how to pronounce it. Ed was quick to explain that years ago he had been diagnosed with Pheochromocytoma which is an adrenal tumor (serious stuff), and his daughter made this T-shirt for him while he was recuperating.

We were among the first to arrive and I immediately began mingling, chatting with club members and getting the ‘scoop’ about their shirts. With my first glass of ‘fine’ wine in hand, Karen Morgan approached me and asked “would you like to take a dip!” She was serving her appetizer in a bowl shaped like a pool with a man & woman lounging in the water (actually it was dip!).... Cute bowl Karen – great for parties. Karen relayed

the story of the shirt that she was wearing, indicating that her mom had given it to her for her 1st year of teaching. During one of her classes, a student indicated that she had to go to the bathroom – Karen gave her permission and the next thing you know, not only Karen, but her entire class saw the little girl outside chasing the geese across the play yard – so much for control on the kids! Just kidding Karen – you are a fabulous teacher!!!!

The masses have now arrived, appetizers were being passed...Yum Yum... Bottles of wine were being opened and served (and emptied almost as quickly as they were opened).

Bonnie Radding sported a T-Shirt from Sequoia High School and relayed her story how she and a number of her classmates were recently in San Luis Obispo – celebrating a 70th Birthday... Is Bonnie the birthday girl? Herb Radding showed off his love for car shirt and talked about joining the 200 mile club and Bonneville Salt Flats.

I kept mingling and spotted Kathy Musser – whose story had to be told by hubby Johnny...Several

years ago, he had visited Oatman, Arizona (I think he said it was along Route 66 – if not, I just made that up)...and fought a burrow to get the shirt...in fact, Johnny had to give up his ice cream cone to win the burrow over! Johnny, do burrows really run through the town and do you really think that we believe that TALE???

Jacqueline Shanafelt showed off her Costa Rica shirt and told about their trip 2 years ago... Rena Schaut had a shirt personally autographed from Tatana Faberge – a “From Russia with Love” shirt which was the theme of a Junior League function.... Then there was Chris Schaut looking KOOL in his “Tahoe’s Best Woody Service Libation & Lube Shop” T-shirt with a very sexy lady on it – I think the phrase on the shirt was “Keep your Woody Up & Running” – great story Chris!

OOPS, for a minute I thought I saw a BMW shirt... taking a closer look, Laurie Delmon was sporting her “BIMMETTE’S” shirt... the “Unofficial” Ladies Lone Star BMW Chapter – complete with Bimmer earrings’... You were very brave Laurie to wear

❖ Shirt "Tales" GTG

a BMW shirt at a Porsche function!  
(Laurie – 3 glasses of wine later, was it Bimmer or Bemmer??)

Ken and June Iles joined in the fun bringing their relatives, Peter and Jackie (leaving that evening to return to their home in Sydney, Australia)... June gave tribute to Porsche's Oregon Parade by wearing her shirt, while Ken relived the Woodstock Generation – the Lazy, Hazy Days of Woodstock (a shirt he wore to the Morgan's 50's Halloween party a few years ago) – I think it said..."Cash GAS – Grass or Ass – No One Rides for Free". OK, so I might have gotten that incorrect – 2 glasses of wine later!!!!

garbage bags and were thrown away – SO – he bought a T-Shirt to wear until he could get more clothes (women would immediately go shopping). He got so attached to the T-shirt (it faded, frayed and tattered – so he threw it away). . he went back to their honeymoon site and bought another T-shirt – Kurt, you are a romantic at heart!!!!

Not sure if I will get this story totally correct, or maybe I will just make it up as I go along...Peter Ridgeway's shirt read "Woody's Long Boards" – the story that Peter told was that after 3 weeks in Hawaii, he and buddies did some 'camping' out in a bar that served nice papayas and great hors d'oeuvres.... OK, so tell me again about the better than the "Do Me Now Shirt" tale????

So now for a really cute story. . picture this. . Kurt Delmon on his honeymoon, 15 years ago. . somehow his clothes ended up in

I hear the sound of a cow bell...the Mighty Mary Wallace was calling us all to dinner – BBQ'd brats, great side dishes – the masses converged upon Dick Wallace who could barely keep up with the BBQ'ing – the crowd is HUNGRY!!!!!! Now the crowd is QUIET...See what food does! OK, so maybe the wine helped!

During dinner, Mary again rang the bell...this time, it was to go around the tables that were set in their lovely backyard, and tell everyone's Shirt Tales! John Reed wore a shirt from the 50th Porsche Parade...Doug Ryder's Tye-Dye Jerry Garcia shirt was in commemoration of all of the father-daughter dances that they attended...Pam Ryder's shirt honored the "Wild Cats" a High School dance team...

Carole Goodwin – now here is a story of years gone past...back in

❖ Shirt "Tales" GTG

July of 1991, Carol and Larry hosted a "Tropical Adventure" GTG...

Carol decided to make a Mai Tai drink – Kathy Reed tasted it and encouraged everyone to try the Mai Tai Punch (when indeed it was full Mai Tai's that Carol & Larry had made multiple batches of)...Thus the shirt that says "It isn't Just Punch You Know"...Good times remembered! Larry Goodwin boosted his Brett Wing T-Shirt for the famous water skier (I must confess that I have no knowledge of Brett Wing)... BUT, I do know the story about "Larry's LOVE Shack" – OK Larry, so 'fess' up!

Now there is Joanne and Tony Antonowicz – one classy couple... Tony told us about his 928 and that once a year the club that he belongs to gathers in Los Angeles where a contest is held for the 'Best in Class 928'...much to Tony's surprise, he won! CONGRATS! Joanne wore a pendant (and she has MANY), that so worked for the evening. Mary Wallace had given Joanne an ultimatum not to wear a T-shirt with animals (which Joanne likes to do) – SO Joanne wore a pendant with a moth (in abalone)...Joanne is 'styling'!!!

Bob Morgan proudly wore his T-Shirt from the Porsche Portland Parade – Bob tells the story that when he went to the "Goody Store" in Portland, the shirt that he wanted was all sold out... Tom Holdych (former LPR member), to the rescue – Tom was wearing the shirt that Bob wanted and gave Bob 'the shirt off his back' (that is a true LPR friend!).

Along comes Jackie Mitchell who told her story about going to Washington, D.C. with her daughter Melissa – upon arriving at the Marriott, she virtually ran into Sarah Ferguson, Duchess of York (back when she was a good girl)...After check in, The Duchess again met up with Jackie and Melissa – this time,

❖ **Shirt "Tales" GTG**

the Duchess visited with Melissa and Jackie. The Duchess spoke with Melissa – Melissa played with Fergie's emerald ring and gave Melissa a bouquet of flowers. As Jackie pointed out – the Duchess is truly a genuine person.

Ken Mason told the tale about his "Bad Dog" racing shirt from New Orleans...and quite a tale that was! Bill Highley commented on his San Jose Grand Prix Shirt and being invited to the PKV Pit where he met Jimmy Vassar – not to mention the fact that he ran into Paul Newman.

Nanci Bishop sported her "Jagermeister" T-Shirt - honoring the fab car that she displays...Paul Smith told us about the concours they attended at the Monterey Historics where Nanci's car was displayed – they entered the car for a \$350 fee only to find out that there was really no class for the car (does that mean NO competition???)... WELL, they won their class + a trophy + \$20 + the T-Shirt that Paul was wearing!

Justin Gross – haven't seen you in a while... he came decked out in a shirt that had multiple cars (in fact lots, and lots of cars) – one just needed to pick out the type of cars in the shirt.

Everyone has now told their TALE... we all had a chance to vote on the best TALE (1st, 2nd and 3rd) – the judges went to tally the votes, while the group dug into the great desserts that were brought and enjoyed more wine, or coffee...

Drum roll please. . . Mary announced the winners - 1st Place went to the Musser's for their incredible donkey tale. . . 2nd Place to Jackie Mitchell for her Fergie tale and . . .3rd Place to Herb Radding for his elongated tale about his love for cars. . . CONGRATS to all! Great job – Terrific TALES! Now special prizes went to Steve Mitchell & Ed Tefankjian for their "Tales of LPR" – now were those 'true' tales or something that you made up???? One will only wonder!

As the evening began to quiet down and members were about to head home, VP Jackie held a brief meeting announcing upcoming events and then presented our gracious hosts, Dick and Mary Wallace gift certificates to their favorite restaurant. Thank you Dick and Mary for the fabulous evening. Another successful LPR GTG – enjoyed by one and all!

# LPR Activity Planning for 2011:

Remember the PCA motto: "It's not just the cars, it's the people" well, the cars are not going to plan your activities for next year, so show up and enjoy pizza and beer with your LPR friends; with enough beer you might decide to lead a tour, host a GTG, or something....

### Minutes of the September 2010 Board Meeting

The September Board Meeting was held on September 2, 2010 at the Round Table Pizza on Camden Ave. in San Jose. The meeting was called to order at 7:10 pm by President Les Schreiber. Board members present were; Jacqueline Mitchell, Suzette Pangrle, Herb Radding, Peter Ridgway and Doug Ryder. Other members in attendance were Anne Roth, Steve Mitchell, John and Angie Reed, Paul Seidel-Smith, Nanci Bishop, Emilie and Bill Highley, Pam Ryder, Ken and June Iles, Sue Sickal, Steve Crane, John Cole (came late) and Laurie Delimon.

#### **Directors' Reports**

##### **President: Les Schreiber**

Les asked for a motion to approve August Board minutes. Doug made the motion to approve and Herb seconded the motion. The Board unanimously approved the August minutes.

Les reminded all Board members to make sure their files are current if they are transferring over to a new Board member in January 2011.

##### **Vice-President: Jackie Mitchell**

Reporting on the August GTG's:

August 7th - Family Picnic at Vasona Lake Park/53 attended.

August 21st - Shirt "Tales" GTG – Dick and Mary Wallace/35 attended – collected \$510

Upcoming GTG's

Sept. 25th - Ocktoberfest GTG at Tom & Sandy Provasi

Oct. 30th - Halloween GTG at Bob and Karen Morgan

We still have NOTHING planned for a GTG in November – Jackie will send email Blast.

Dec 11th Progressive Dinner – Highley, Provasi, Tefankjian

Jackie motioned that we charge \$60 per person for the awards banquet but offer a \$10 discount for early 11/13/10 registrations. Anne and Herb suggested using Motorsportreg.com for registration. Doug seconded the motion and the Board unanimously approved the motion.

Jackie noted that not all GTG hosts really want the \$40 "gift" for hosting. A brief discussions occurred and it was decided that a host must notify the VP prior to the GTG if they wish to use these funds for their GTG expenses.

Jackie also noted that the club has several small assets that someone needs to track, i.e. ice chest, roll of tickets, coffee pots, BBQ grill, LPR banner and printer. She will be more than happy to track them down and suggests that the V.P. keep a tracking log on these items.

### **Treasurer: Herb Radding**

Herb reported August income to date of \$ 5751.25 with \$ 3801.10 in expenses netting \$ 1950.15 profits for August. Herb noted that it looks like we're meeting our goals for basically breaking even on GTG's based on the last 3 GTG's. Herb noted there are a few inconsistencies that he's working on fixing it. Year to date for the LPR balance sheet looks like we've lost about \$7000.

**Membership: Barry Pangrle** Barry was not present but sent in the membership report. See page 10

Peter motioned to approve all new members. Herb seconded the motion and the Board unanimously approved the new members.

Sept. 10th Newcomers Social, Suzette will substitute for Barry who will be late.

### **Member-At-Large: Suzette Pangrle**

Suzette reported sending out the Ballots. Jackie motioned to approve Board member nominations for 2011. Herb seconded the motion. The Board unanimously approved nominations.

As instructed in the Policy and Procedures and announced on August 27th, the BOD and the Committee Chairs can also make nominations for the Worker-of-the-Year and for Newcomer-of-the-Year. So the Member-At-Large solicited these nominations. Nanci Bishop was nominated for Worker-of-the-Year for her work as Instructor for the Autocross' and for her effort organizing tours for the Region in the past year. Steve Mitchell was also nominated for his effort on the Prieta Post. However, he withdrew his name as he was already nominated for an award. Paul Seidel-Smith asked if Les Schreiber could be considered for Man-of-the-Year. Due to procedures outlined in the Policy and Procedure document, this nomination was moved to Worker-of-the-Year as this was the item under discussion at the meeting. Les graciously agreed to the change and was honored with the intent.

**Secretary: Peter Ridgway** Peter had nothing to report.

### **Committee Reports**

## **Advertising Chair: Bill Highley**

Stevens Creek Porsche is negotiating advertising in the POST. We'd like them to sponsor Autocross. Anne will think about options for Ed and Les to propose to Stevens Creek Porsche.

The next AX is on September 12th at the Marina airport. Registration is via MotorSportsreg.com.

Anne reported that we now have a problem storing the AX trailer again since Jon at Performance Art got bought out. Stay tuned.

We're still looking for someone to pull the trailer next year as well as autocross workers. We're looking for volunteers!

Anne proposed enhancing AX awards and setting up a new perpetual award (most cones for the year). John Reed told Anne how to go about getting the costs from Alpine awards.

## **Charity: Sue Sickal**

Charity event Oct. 9th Will be at Sue Sickal's like last year.

## **Drivers Ed: John Cole**

## **Prieta Post Editor: Steve Mitchell**

Steve asked for the Board to consider a resolution regarding the distribution of the ballot in the next edition of the Prieta Post. After a discussion, Suzette motioned that voting be done only online. Doug seconded the motion and the Board unanimously approved on line voting.

## **Public Relations: Ken Iles**

Ken reported that he has the "Horny Hazard" back from Performance Art. Ken has submitted a couple of articles to Panorama.

Ken delivered an excellent report regarding the proposed changes of the LPR logo. He noted the reasons he strongly supports keeping the current logo. Paul reported that a number of people are questioning tour fees for overnight tours. Paul's recommendation is to follow the bylaws which is \$5/day meaning if you spend the night, that counts as a 2nd day.

**Webmaster: Steve Crane**

Steve reported the Facebook page is on the main web page.
