Check out Page 3, it's updated with our new Board members and executive appointees who generously donate many hours of their personal time to LPR to make sure we all have many fun activities throughout the year and also to make sure that our PCA region is recognized as the award winning "Good Time" region.

With that, let's talk about the annual calendar; I have compiled the year's activities set at the planning meeting that is more fully detailed on our website: [lpr.pca.org](http://lpr.pca.org). Many of you have asked me to please print the annual calendar notwithstanding the two-month calendar that I always update as the most current on page 6. I can understand wanting to mark your annual calendar with the autocross dates and other activities that we have set.

What is ironic about this is that many of the folks asking me to print the annual calendar are the SmartPhone, Palm, and iPhone totin' early technology adopters with the new 4G's. Get this, if you go to our LPR website you can install Google Calendar and guess what, your SmartPhone will sync automatically! The credit for bringing us this technology is our award-winning webmaster, Steve Crane. The annual calendar displayed on the website includes other zone and GGR activities with details of each event, also because of the hard work of Steve Crane. Check it out.

Anyway, it has been a busy month with work, Christmas shopping and family activities. With all that I think you will enjoy this month's edition of the Prieta Post.

Sincerely, Steve

# Hye Notes

Ed Tefankjian, President

I want to thank all of you for the opportunity to serve again on the LPR Board as your President. A special thank you to all last years Board Members and Committee Chairs....you made 2010 another successful year in the "Good-Time-Region".

I would like to introduce your 2011 LPR Board Members...in addition to myself as President, Emilie Highley Vice President, Jennifer Bryant Treasurer, Tom Provasi Membership, Peter Ridgway Secretary, Doug Ryder Activities and Suzette Pangrle Member-At-Large. If you have never attended an LPR Board Meeting it's a good way to get a better understanding on how your club is managed. You may want to be part of the Board or one of the Committees. Your club always needs new thoughts and ideas.....so why not come to one of the meetings?

**LPR is one of the most active clubs  
in PCA. So come out and have  
some fun with us.**

Happy New Year 2011....wasn't it just a couple years ago when we were all worried about Y2K? Time really does fly when you are having fun! Another good reason to take an early look at the LPR Activity Calendar and mark your calendar now for those events in which you would like to participate. The Planning Committee put together a lot of great events.....there are GTG's, Tours, Autocross, Tech Sessions, etc.....something for everyone. I urge you to come to some of these fun events, make some new friends and renew some old friendships.

Some Porsche Club info; LPR is a Region within Zone 7....within PCA there are 13 Zones with 139 Regions and there are 58,000 members (532 members in LPR). Worldwide there are 613 Porsche Clubs in 68 Countries with 120,000 members.....PCA represents about half the worldwide membership. There are 9,000 events worldwide each year.....and LPR is one of the most active clubs in PCA. So come out and have some fun with us.

**"IT'S NOT JUST THE CARS,  
IT'S THE PEOPLE"**

Bye for now, -Ed

# MEMBER NOTES

Barry Pangrle

**We'd like to welcome Al & Elizabeth Kiedaisch, Paul & Eric Hoeschen and Kevin & Debilyn Molineaux to the Good Times Region.**

We are also celebrating Hank Watt's (author of Secrets of Solo Racing: Expert Techniques for Autocrossing and Time Trials) 25th anniversary with the Loma Prieta Region! Richard and Linda Peters are celebrating their 20th and 15th anniversaries and Joe Dyer, Ben & Michelle Guss and Marilyn Petersen are celebrating their 10th anniversaries. Herb Radding and Mattia Tonella are celebrating their 5th.

Because of the way that the reports arrive from PCA and the Post's publishing schedule, the PCA update is for membership at the end of November and this info is appearing in the January Post. The anniversaries are for January, and this issue will probably arrive in your mailbox in December. This will be my last report as I will be handing over the membership director responsibilities to our new incoming membership director: Tom Provasi. Tom has been a member of LPR for over 30 years as well as having served on the PCA National Board (plus many other accomplishments in PCA over the years) and will make a great membership director. I want to thank the members of LPR for a wonderful experience on the board for the past 5 years as secretary, vice president and membership director. I hope to have an opportunity to serve on the board again sometime in the future.

Best wishes for a happy and healthy holiday season and New Year for everyone. Happy Motoring!

## Letters to the *Prieta Post*

Hi everyone.

June and I want to express our thanks to all of you who voted the 2010 Funkhana as the Good Time Event of the Year. We were both so surprised at the announcement at the Awards Banquet, and are so very grateful of the honor. It was indeed gratifying to us that so many people enjoyed this particular event, even though there were many others deserving consideration. Thank you all once again for your support. .

A note of interest...on more than a couple of occasions this event was nearly cancelled. Having experienced FunKhanas some 20 years ago we thought it about time LPR held another one of these fun events, but finding a suitable site was always a problem. That is until Jon Lazares of Performance Art offered us a suitable site, for which our thanks is also due. But because of the rarity of the event, and unfamiliarity with gymkhana procedures, various figures in authority expressed needless concerns about safety issues, questioning need for helmets, fire extinguishers, roping off spectator areas, special insurance for competitive driving, and throwing up their hands in horror and despair when told drivers may be blindfolded.

It was not surprising really, CYA and today's litigation suits must have loomed large in their minds, but their fears were groundless. A funkhana is a pretty tame affair, and quite safe compared to Autocrosses and some of our competitive track events. But lots of fun nevertheless. No experience necessary, all can participate.

Due to the success of the event, another Funkhana is tentatively scheduled on Saturday June 11th. Peter Ridgway will be responsible for fresh ideas and thinking, and I will be helping with construction of another 'high-tech' device called the "Foot Fetish" which will be alongside the now infamous "Horny Hazard". Both will incorporate red lights, so what more natural than to locate them in a place on the course called "The Red Light District"?

To Everything (Turn, Turn, Turn)  
There is a season (Turn, Turn, Turn)  
And a time to every purpose, under  
Heaven

*(book of Ecclesiastes)*

I guess that makes November a time for  
Tacos

Jackie and Steve Mitchell bravely invited 30  
odd LRP members, to their beautiful home, to  
enjoy a Taco Fiesta.

Kris and I were the first to arrive. Prime  
parking spot right in front of the house.  
A few orange cones, either signifying a

---

pending Autox or a no-parking zone, blocked the driveway.

Steve met us at the door with a couple of very good Margaritas in hand and the party was officially under way. John and Angie pulled-up as we were sipping our frozen elixirs and Big Juan had me move my 912 up a bit so he could fit his wasser-pumper in the spot behind me.

Folks were now arriving in a steady stream. Everyone came armed with appetizers, desserts, side dishes or beer. Big Juan was especially happy with the beer selection! Steve kept churning out Margaritas and the line didn't get any shorter.

The reason the driveway was coned off was to prepare for the arrival of "The Taco Man" Don Beto.

Unfortunately, Mr. Taco was in the hospital recovering from a heart ailment. His wife Vicky and their son set-up the taco cart and proceeded to feed the now tipsy crowd. There was pork, chicken and beef tacos

and sides of rice and beans. All delicious.

Around this time Anne Roth, LPR's AutoX Diva, arrived with all the makings for her famous Margaritas. This was going to be a long night!

Now don't get the idea that this was just an eating and drinking affair. We actually had a competition for the best sombrero. Since there were only 5 folks that wore sombreros, everyone won a prize!

We did tie John Reed to the wall and played "Pin the tail on the Post Burro". We had to suspend the game as Big Juan was enjoying it a bit too much.

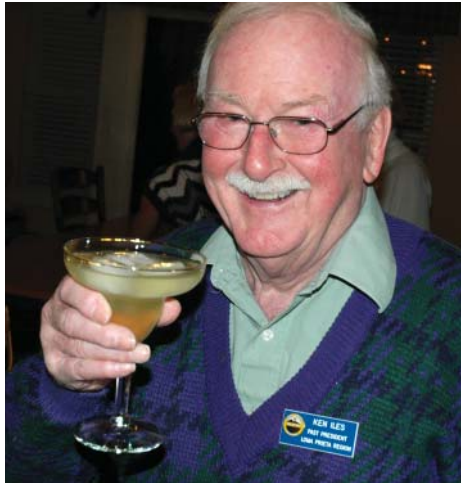

All in all we had a great time. I doubt the Mitchell's home will ever be the same.

Muchas Gracias to Jackie and Steve for opening their home to the muy loco LPR bunch. A wonderful time was had by all.

The Silicon Valley Holiday Inn was the site for this year's Annual Awards Banquet with 55 LPR members and guests attending the festivities. VP Jackie Mitchell had been planning this event for the past year by reserving the room,

selecting the menu, designing the table center pieces with floating candles and candy canes. Along with the table decorations, the room was filled with Christmas lights, a beautiful tree and many candy cane ornaments reflecting the theme.

The formal program began at 6 pm with registration, cocktails, appetizers and the most important inspection by the party goers of the door prize tables. Autocross Chair Anne Roth made a wonderful gesture to the guest by inviting early party goers to her hotel room for a Margarita before the official start.

Kris Vanacore and Emilie Highley led the efforts to find a variety of door prizes, their hard work and a little arm-twisting of LPR advertisers and supporters, went a long way to make sure everyone went home with a door prize. Guests also received special remembrance of the evening themed with candy canes, a candy

cane ornament for each guest.

Over the wonderful dinner of either steak or salmon Tony Vanacore began the ceremonies by calling the raffle tickets for the door prizes. Guests were invited to select from the door prizes when their number was called. As dinner was ending and desserts were served, President Les Schreiber began the presentation of the awards for the past year. Award winners were selected by the LPR membership as part of the annual election, earned an award for competition, or received a

special President's award.

LPR friend Dwayne the DJ a regular at LPR events led the after award dancing at 9 pm. The party must have been a success as many guests stayed to the 11 pm end and only accolades could be heard about the location, decorations, and food.

Several guest spent the night with the Holiday Inn offering LPR a great room rate. Once again, it was another successful "Good Time" event.

## 4 Fikse FM-5 Forged Wheels 1979-1989 Porsche 911 - \$1200

Probably the best racing wheel you can buy. Lightweight high strength forged anodized (not painted) Aluminum. Very wide, 5 spoke in racing black. Straight and true - no cracks, never been damaged. Set of 4, will not separate. Have old Hoosiers on the wheels. Front: 17" x 9.5" 23mm offset. 245x40 17 tires. Rear: 17" x 10.5" 15mm offset. 275x40 17 tires. These will fit 911 SC or 1985-1988 911 Carrera / Targa. If your car has been lowered, you may need to roll fender lip, but you can't get more rubber on the ground in these cars than offered by these wheels. About 6 years old and a few track days on them, so a bit scratched, but that won't affect performance. Replacement cost would be \$700 a wheel + tax.
