## PRESIDENT'S LETTER

The 2013 Awards Banquet is now history. In passing, I want to send a sincere thank you from all our members to those who contributed to door prizes. It was a pleasure to see that everyone who attended the Awards Banquet received at least one door prize. Some of these door prizes were amazing, such as a \$500 gift certificate from Dell's Autobody for auto detailing, Wine Pairing for 6 from Steven Kent/LaRoche Winery, Reserve Wine Tasting for 4 from Langtry Winery and three \$100 gift certificates from Wheel Techniques. There were many other significant contributions; too many to name, but I personally want to thank those who contributed also.

With the start of the new year, I first want to give thanks to the Board of Director members who served last year and are not returning for this year.

John Reed served as our Activities Director, and he could not have been better suited for this position because he attended almost every event on the schedule. The Activities Director is responsible for leading the Planning Meeting where the upcoming year's events are scheduled such that there is a well spread of events over the year. The Activities Director also oversees that the PCA National insurance requests for activities where there is possible hazards from moving vehicles such as autocross, tours and tech sessions; he then follows up with the Safety Chairperson to verify that the Observation Reports are filed with PCA National.

Larry Sharp served as Member-at-Large. Larry is a very technical person, as validated by his first place finishes for the Tech Quiz at Parade. As Member-at-Large, he was suited for this position because he oversaw the amendments to the LPR By-Laws and the Policies & Procedures. He also was responsible for approaching LPR members to run for the Board of Directors. This is a harder task than you would expect. The last responsibility he took care of was ordering the award trophies presented at the Awards Banquet.

As you can see by this letter, I have been re-elected to serve as your President for this coming year. Jackie Mitchell is returning as your Vice-President. Christina Vincent will again serve as Secretary, as will Johnny Musser as Treasurer. Membership will again be served by Les Schreiber.

Our newly elected officers are Dave Dunwoodie as Activities and Anne Roth as Member-at-Large. I want to welcome our new Board of Director members.

If you have not already accessed our LPR website to view this year's activities calendar, I would recommend

that you do so, and mark your calendar so you will not miss any of these events.

Your President,  
Vince Vincent

## EDITOR'S LETTER

## OVERWHELMING

That is the word I seem to be overusing lately. Many of you know I have a real medical challenge ahead this year, I am certainly glad what I think was the most difficult part is over. A 15 hour surgery this past month to remove bad cells, complete a reconstruction of half of my face using the fibula from my left leg have left me with a challenge to recover. I will soon begin the radiation

## INDYCAR day at work

Taking a break at work with Simon Pagenaud and the Schmidt Hamilton HP Motorsports team during their visit to Palo Alto before the Grand Prix of Sonoma. Simon finished the series in 3rd place overall with two wins. He told me that he has driven a GT3 and that Porsches are all race cars that you can register for the road. I told him I don't know what Porsche is selling you in France and you can probably say that about the two door models, but here they sell more SUVs and 4 doors than 911s.

The car is 750hp and I told him that of the members of our Porsche club there are probably only two people I can think of, Tom Provasi and Barry Pangre, who could put enough heat into the tires to actually make the Indy car perform properly.

and chemotherapy . Anyway the key is to stay positive.

I have to be thankful for Jackie my wife and your VP for all her support and help through this. She has been key to keeping appointments and doctors at UCSF managed, there is a head and neck oncology team, plastic surgery team, radiation team, and chemotherapy team. She is also taking care of the home nursing. She has a patient who has had cancer removed, plastic surgery and since my fibula was used to do the reconstruction a wound to dress every day that looks similar to a Great White shark bite.

Before my surgery I was really pleased to be able to attend our Annual Awards Banquet and really appreciate the support of LPR. I take great pride in receiving the Harry Reed Memorial Award and for the GTG award with Jackie for Time for Tacos. I am also proud of Jackie receiving the Kathy Reed Memorial Award. Thank you!

Anyway, I am looking forward to a much better 2014. I hope to continue with the Prieta Post and look forward to an event filled year. I have been told it will take about 3 months before I can drive with the clutch.

# KEN'S KORNER

**Ken Iles,**  
*Founder and Public  
Relations Chairperson*

*A reprinted  
summary of  
LPR activities  
as submitted to  
PCA National*

**O**n September 14th, Loma Prieta Region staged another tech session, this time at Cecil Beach's Body Style shop. The focus was unusual, being concentrated on how to get the best out of insurance claims simply by using key words and terms that maximize a claim payout. Cecil's 37 year experience in doing this was passed on to a large audience.

Following this region's penchant for innovation, the theme for the dinner meeting (or GTG – Good Time Gathering) was everything black and white. Held at the home of Hal and Diana Hallock on September 21st, not only was dress to be black and white, but food and drink also.

Interesting and clever concoctions ensued, naturally including white wine, champagne, and black caviar, for this is a classy region.

On October 5th and 6th, John Reed and Kevin Bennett organized yet another overnight tour to Hearst Castle, which was sold-out almost from the start, necessitating a 22 car limit imposed to the famous castle. The authorities there are trying to push a pretentious long-winded new name for the site, but everyone still refers to it as Hearst Castle. Being conducted at night, the external illuminations and broad scope of the tour made it an entirely different experience to a daytime visit, for practically the

whole castle was open to the tour. Several actors in costumes of the era were seen here and there which added authenticity to the scenes. A continuation of the tour to Cambria the next day concluded the event.

The last autocross of the season was held on October 13th with 37 drivers competing, yet still managing to get as many as 14 runs each.

And on October 19th, newcomer Jan McFarlane hosted the Oktoberfest at her lovely home in the hills of Saratoga. Lots of German food, authentic costumes worn, and even German music played by Herr Mike Zampiceni on his accordion inspired dancing the polka.

# Annual Awards Banquet

by Jackie Mitchell  
PHOTOS: John Reed

*Lisa Radding, Emilie Highley,  
Angie Reed, Steve Mitchell, Hal  
Hallock, ready to party*

This year's Annual Awards Banquet was held at Fiorillo's Restaurant in Santa Clara. As the 46 guests started to arrive, they were immediately greeted by Karen Morgan who graciously volunteered to help at the check-in table. Thank you Karen! As members enjoyed their cocktails, they were able to graze on Italian Meatballs, Crab Cakes, Teriyaki Chicken, Mushrooms stuffed with Crab, and a beautiful display of cheeses. After the dinner bell rang, everyone settled in, the toast was made, a couple of door prizes given away, everyone was able to feast on their choice of Chicken Paladino, Italian Salmon, or New York Steak, and later who could forget the delicious Tartufo!

That evening everybody was a winner! Literally. We had enough door prizes at this event, thanks to most of our dedicated advertisers and even a few of our members including Paul Seidel-Smith who rounded up five very nice prizes on his own, everyone won at least one door prize! Looking back on that evening however, next year I will choose a different method of drawing ticket numbers. My only thought was to get everyone involved. It was not my finest moment.

One of the highlights of the evening for me was including Ken Iles, Esper Kershaw, and John Reed in the presentation of the awards. I wish I could take credit for this brilliant idea, but I have to give all the credit to Vince. He wanted them to help in the presentation of “their” awards and they each did a marvelous job. Thank you so very much Ken, Esper, and John!

My other highlight of course, was receiving the Kathy Reed Memorial Award, AND the Event of the Year, AND seeing Steve receive the Harry Reed Memorial. It truly was an honor to be recognized by our friends with these wonderful awards. Thank you so very much!

Congratulations to all the winners this year and I hope everyone enjoyed the evening as much as I did!

The afternoon started off in traditional LPR style – everyone arrived with appetizers and desserts, Kathy Musser collected \$10.00 (Jackie and Steve, we missed you LOTS) – we all began eating and drinking, chatting about the holidays, cars, travel and ‘eyeing’ the gifts that were placed under Les’ festive tree. . . OH, did I mention that we were drinking???? Started off being wine, champagne, beers and soft drinks – then all of a sudden, Egg Nog and other ‘spirits’ appeared!

# LPR's Annual Gift Exchange

and . . .  
" So, I Get to  
Steal HOW Many  
Times???"

Story by  
Emilie Highley

Photos:  
John Reed

*Bob Morgan and Greg Sickal exhibit the true spirit of Christmas gift giving... at least as experienced in the LPR gift exchange format.*

Soon we were all seated in the living room and Les began to explain the 'rules of engagement' for the gift exchange – everyone gets a ticket – Les calls the numbers and we pick a gift AND let's not forget that the gift can be stolen 3 times! (Trust me, as the afternoon progressed, rules had to be

repeated numerous times and most of us forgot who stole what and how many times). . . read on. . .

Bill Highley was #1 to pick (he will always be #1 in my book). . . he picked a gift - nice bowl! OK, on to the next and the next and the next. . . Kathy

Musser picked a car jumper starter, Jim Bryant picked coffee truffles and mugs. . . Angie Reed opens up a robe (don't get to attached to that one Angie!). . Jim Davis gets wine, Nanci Bishop opens chocolates and a model Porsche, Efren Casamina got a popcorn maker. . . Jennifer Bryant opened her gift – Hickory Farms Supreme Sausage (Jennifer shouted out in delight. . . I just LOVE sausages!) Can't believe that NO ONE has stolen as yet. . . OOPS, I spoke to soon – Karen Tefankjian steals the robe from Angie. . . Angie steals the model Porsche from Nanci. . . Nanci selects another gift – a box full of Porsche goodies – hat, shirt, key chain, Porsche Bag. . . June Iles is next – she steals from Angie (the Porsche Model Car) – poor Angie – can't hold on to anything. . . Angie chooses again. . . WOW, an Eiffel Tower (some assembly is required) – engineer, Vince jumps

in to assemble the tower which would hold wine corks – pretty cool gift! Ken Iles is laughing so hard (not sure why), but he almost wet his pants! OK, my turn – I steal the Eiffel Tower from Angie, Angie steals the robe back from Karen. . . I pick again, this time I get cups (I think they were size 34A). . . Larry Sharp picks a gift – NUTS (and I do mean Larry got some nuts)! Bob Morgan steals the Eiffel Tower (now dead after 3 steals). . . Karen steals the robe back from Angie. . . Angie steals the model from June. . . June steals the goodie box from Nanci. . .Nanci picks a new gift – Starbucks Gift Card. . . Jan McFarlane steals the model car from Angie. . . Angie AGAIN picks a new gift – another Porsche Model Car. Bob Frosthalm gets towels . . .Paul Smith steals the Porsche Goodie Box from June. . . I AM SO CONFUSED. . . June is looking to steal, Larry still has

*Jim Davis got the wine. Looks like they should plan a meeting of the gifts.*

*Jen Bryant got the food and...*

his nuts. . June now opens an electric wine bottle opener. . . Johnny Musser steals the Porsche Goodie Box (now dead, I think). . . At this point Karen Tefankjian leans over to me and says “Not only am I confused on who has what and how many times it’s been stolen. . . I am SO done and ready to go!” More chaos. . . Paul steals the robe – Karen gets the Bailey’s. . Ed gets another jug of Bailey’s. . . Honestly folks, are we down to “Nuts and Jugs?”

Ken gets a Starbuck’s Card (great for those that only drink English Tea). . . KC Sharp takes Karen’s Bailey’s. . . Karen steals Ed’s Bailey’s. . . Ed steals KC’s Bailey’s. . . Karen is bored and snoozzzzzing. . . Bigg Juan takes Larry’s nuts (I know that Larry was sad to lose his nuts). . . Sue Sickal picks a lantern,. . . Karen Morgan steals from Jim Davis. . . Someone started a rumor that KC Sharp has been VERY

NAUGHTY this year (KC, you may not get what you wished for, remember “Santa knows everything” Just how naughty were you?). . . Jim Davis gets the Porsche mugs. . . Les opens a Starbuck’s Card. .

Hooray, I think we are done!?!?!?!?

Is EVERYONE happy with what they got?

A ‘hush’ fell over the crowd – I think that we were all ‘pooed’ from the chaos and gift stealing!

Before the clean up began, Kathy Musser presented Les with the club gift for hosting LPR’s final event of 2013!

Many thanks Les!

Happy Holidays one and all!!!!!!

So, who got the robe and the Eiffel Tower???

*The Divine Miss Em gets the “Queen of Everything” mugs and looks pleased.*

---

*Why does Bob Frostholtm look so at home while holding dish towels?*

*Ken is always bragging about how his is bigger but in the case of this gift I guess it's just not so...*

---

*There's a lot of give and take in these socials... this looks like more of a take between K.C. Sharp and Ed Tefankjian.*

*Sue Sickal got something to light her way home.*

*Jan McFarlane admires the model Porsche's lines as Ken Iles admires hers.*
